Clean concrete and asphalt for dumping must be free of any dirt, wood, garbage, debris, or other materials deemed unacceptable. Northern Illinois Service Co. reserves the right to reject any load at any time, should it contain unacceptable materials.

All loads must weigh in at the scale and be inspected prior to dumping. Any loads found (before or after dumping) containing unacceptable materials will be rejected.

Hard to Handle Loads are defined as loads containing excessive reinforcement and/or pieces of concrete that are larger than 24" x 60" and 12" thick, that must be downsized prior to being processed by a conventional jaw concrete crusher. The determination of Hard-to-Handle Loads is at the sole discretion of Northern Illinois Service Co. personnel.

Invoices will be sent weekly. All materials are subject to sales tax, unless proof of exemption is provided. Buyer agrees to pay all invoices within 30 days (Terms are 30 days). If an invoice is not paid within 30 days, buyer agrees to pay attorney's collection fee plus 2 % per month interest charge.

We accept Cash, Check, Visa, MasterCard, and Discover payments.
